

MOTOR VEHICLE TYRES

Introduction

Strømme Foundation (SF) is an International Development Organization headquartered in Kristiansand, Norway. SF is committed to empowering people to overcome the root causes of poverty through its thematic focus on Education, Livelihoods, and Job creation. SF aims to realize its vision: “a world free from poverty” through long-term partnerships with local organizations.

Objective

Stromme Foundation Uganda wishes to engage the services of a firm or an Underwriting Motor Vehicle tyre service provider.

This TOR aims to solicit proposals from qualified and experienced providers that can provide tyres for Stromme Foundation Uganda Motor vehicles.

Scope of work

- Provide Vehicle tyers as requested by Stromme Foundation
- Remove old tyres and fit new tyres as may be required.
- Provide recommendations on appropriate tyres to be fitted.
- Provide any other services around tyre provision including wheel balancing, wheel alignment etc.
- Provide quality rims when required.

Eligibility Criteria

1. A service provider who can supply us with Michelin type of tyre products for all the sizes of our different tyre sizes.
2. The service provider must clearly outline the role and responsibilities of a dedicated person (Account Manager) who shall serve as the primary liaison throughout the course of the service.
3. The Service provider Must be able to supply service without initial deposits and invoice later for payment.
4. The service provider must be authorized and registered to provide services.
5. The Service provider must have been in business for at least five years.
6. The Service provider must be able to respond promptly to any claims.
